

The Just Read, Florida! 2008 Literacy Institute will include the following academies:

- **4-5 Reading Teacher Academy** – This academy is designed for teachers in grades 4-5, providing a focus on effective reading instruction for students.
- **6-8 Reading Intervention Teacher Academy** – This academy is designed for teachers who are K-12 reading certified, reading endorsed, or who have completed CAR-PD. These teachers should be providers of reading intervention in grades 6-8 through an intensive reading class or a content area class at their schools. The academy will be practical and hands-on, providing training in assessment, instructional decision-making, and differentiation of instruction, as well as addressing other pertinent topics.
- **9-12 Reading Intervention Teacher Academy** – This academy is designed for teachers who are K-12 reading certified, reading endorsed, or who have completed CAR-PD. These teachers should be providers of reading intervention in grades 9-12 through an intensive reading class or a content area class at their schools. The academy will be practical and hands-on, providing training in assessment, instructional decision-making, and differentiation of instruction, as well as addressing other pertinent topics.
- **Novice Reading/Literacy Coaches Academy** – The targeted audience for this academy includes new K-12 reading coaches and reading coaches who have never attended one of our larger coaching conferences or the boot camp.
- **Master Reading/Literacy Coaches Academy** – Experienced K-12 coaches will benefit from this academy, as it provides a deeper level of literacy coaching strategies and techniques.
